Price tolerance

`price_tolerance_eur`

€ 5,00 − +

The largest difference in euros allowed between the invoice price and the AB price. A gap up to this amount still returns **POSITIVE**. A larger gap returns **NEGATIVE** and is listed as a discrepancy. Set it to 0.00 to require an exact match.

UNIT PRICE **Line 20 · Hydraulic fitting DN25** +€130.00

Invoice charges €43.50 per unit, the AB confirms €42.20. At 100 units that adds €130.00.

TOTAL **Net total outside tolerance** 26× limit

The €130.00 gap is larger than the €5.00 tolerance, so the invoice should not be released for payment as is.
